

5th Young Ultra-weak Photon Emission Research Workshop

Palacký University, Olomouc, Czech Republic

Date: 23 October 2011, 10-16 hrs

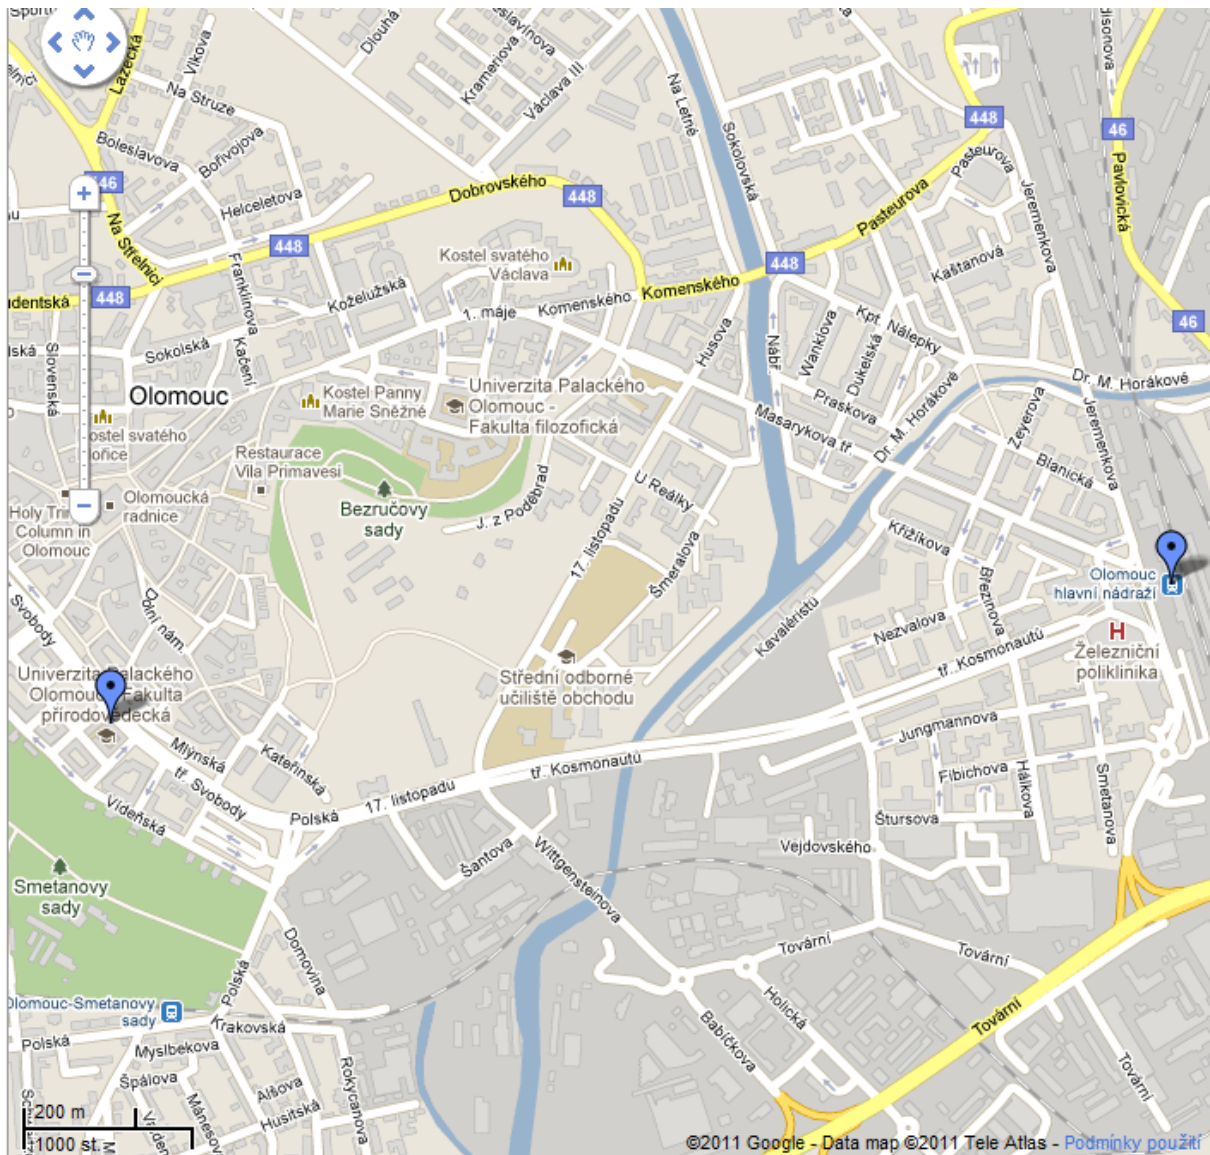

Topic: Ultra-weak photon emission and biocommunication research

Participants are invited to give a short lecture (15min) followed by discussion (10min). The subjects should be dedicated to above mentioned points. Please send a short abstract (250 word) of your presentation to markussk@seznam.cz until 23 September.

Everyone is welcome to join and present their research and ideas.

Organized by Department of Biophysics, Faculty of Science, Palacký University

For more information ask: Pavel Pospisil pospip@prfnw.upol.cz
